Last Night with Power Women!

The biggest event in Washington last night wasn't on **the Hill**. No, it was at the National Museum of Women in the Arts, where **700** packed in to celebrate the **top women** in commercial real estate. (Sorry, **Mr. President**.)

We snapped a group of our 40 Power Women honorees shortly after **receiving their awards**. The building was **buzzing** as friends and colleagues old and new enjoyed a live band, fantastic networking, and some great **culinary treats**.

One such winner, Lacy Ltd prez **Debra Lacy** (in blue), welcomed longtime client **Martin Lamb** of Credit Suisse (middle) in all the way from New York. Martin says Credit Suisse has worked with Debra and husband **Ben** (far right) on seven deals totaling **\$700M** over the years. They were joined by WMATA's **Steve Teitelbaum** and Lacy Ltd's **Pascale Piquion**.
